About me

I am a self-made developer, having learnt my coding skills from online platforms and bootcamps. I am passionate about designing digital experiences that are both visually stunning and intuitive, and always strive to create designs that delight and engage users.

Experience

- Administrative Secretary (CAMPSSI Kenya Parliament)
- Throughout my learning and practice, I have developed a number of sample projects that I have uploaded on my GitHub. And I continue learning every day to better myself in the craft. The samples can be downloaded from my portfolio shown.

Education

- Alliance Girls' High School (O Levels)
- University of Nairobi (BSc. Electrical Engineering)
- CISCO Networking Academy and YouTube (Frontend and Backend development)

Skills

- HTML
- CSS/Bootstrap
- JavaScript
- ReactJS
- MySQL
- Java
- Python and Python Django

Activities

I am highly enthusiastic, innovative, self-driven and result oriented Kenyan citizen who loves team work, determined and cooperates with authorities. I am passionate to learn and unlearn new technologies and skills
